Collin County Partnership & COVID-19 Infrastructure Program #00X: Round 3

The COVID-19 Infrastructure Program is intended to award federal and regional funding to projects across the region that would benefit from expedited action in order to help stimulate the economy. Staff will present details on this third round of projects for public review and comment.

Transportation Performance Measures: Pavement & Bridge Target Setting

The Fixing America's Surface Transportation (FAST) Act requires NCTCOG staff to plan projects and programs that assist in achieving statewide performance targets for National Highway System (NHS) pavement and bridge conditions. Target adjustments are currently being considered. Staff will describe NCTCOG's role in the target setting process, present recent regional and statewide performance changes and explain how NCTCOG will continue to aid in improving NHS infrastructure conditions.

National Drive Electric Week: Virtual Events & Local Successes

National Drive Electric Week is an opportunity to educate Texans about the benefits of EVs, including the important role they play in improving our region's air quality. Staff will provide updates on this year's event, local EV trends and highlight successful EV projects in North Texas.
