VENDOR POLICIES

PRICING, SET-UP & TEAR-DOWN: Please see the Vendor Booths .pdf for information on booth space prices and set-up/tear-down times for each event. Vendors are required to operate their space until each event's tear-down time. If a vendor tears down and leaves the event more than 1 hour prior to the tear-down time this vendor will be prohibited from having a booth space at any events for the remainder of the year.

BOOTH SPACE SIZES & REQUIREMENTS: Food vendor booths are traditionally 20' x 20' spaces and non-food spaces are traditionally 10' x 10' spaces. Vendors may purchase additional spaces (see Vendor Booths .pdf for the pricing per space) and need to note the number of desired spaces on the vendor application. Vendors are required to provide everything they will need for their space including but not limited to: tables, chairs, tent, sometimes electricity and/or water.

ELECTRICITY & WATER:

Limited Electricity is available at the following events: Mardi Gras Celebration, Lake Cities 4th of July Celebration and Holiday Lighting Celebration. Electrical outlets for these events are assigned on a first come, first serve basis **AFTER** vendor application and payment is received. Water is available at the Mardi Gras Celebration, Lake Cities 4th of July Celebration, Waterfest, Halloween Celebration, and Holiday Celebration. Vendors must bring their own water hose.

VENDOR APPLICATION: You may register for one or all events on the vendor application. Payment for at least one of the events you register for must be received with your form to reserve your booth spaces. Payment must be received for all other event booth spaces at least 4 weeks prior to the event. A booth space at any event will not be permanently reserved until payment is received unless other arrangements have been made. You may pay for events from February through September on one check. Because we start a new fiscal year Oct. 1st, please do not send in payment for Oct-Dec. events until mid-September. The deadline to register for events is usually two weeks prior to the event date but you may call (940) 497-2226 x132 to see if there are any available spaces if you are past this deadline.

EXCLUSIVE VENDOR POLICY: The City will not accept any two of the same type of vendor—the first vendor who sends in their form and fee will receive the space. For example: there will not be two jewelry vendors or two ice cream vendors allowed at an event. (Subject to change per City approval).

VENDOR CONFIRMATION & EVENT INFO: If you are an approved vendor, after your application and fee are received you will receive a confirmation e-mail or letter. You will also receive important information about events and your booth space # along with a map at least 2 weeks in advance of each event.
